

Our Ministry of Stewardship

God deserves all, but we live in a world with complex demands on our time, energy, focus and attention. Rather than feel guilty that God does not get more, we can find security and experience growth in our faith and walk with the Lord by giving to God a specific and intentional portion of our day, week, and life. **Please complete and return form below to the church office in an envelope marked "Financial Secretary". Thank you.**

COMMITMENT TO STEWARDSHIP

I/we, (print name/names) _____ commit to thoughtful stewardship of the many gifts given to me, realizing that my East Hills Moravian Church family will support me in these efforts through modeling, teaching, and offering regular opportunities to help me grow in each faith discipline.

- Giving God Part of My Day through Devotional Prayer
- Giving God Part of My Sabbath through Worship and Learning
- Giving God Part of My Time and Abilities through Service and Witness
- Glorifying God through my Saving, Spending and Giving

I am interested in setting up (or continuing) to have my contribution donated automatically from my bank account.

I/we will take **one step forward in faith** by making a first-time pledge or increasing pledge by 1% of income.

I/we estimate contributing \$ _____ each *week / month / year (circle one)*. I/we tithe or will take a step towards tithing.
